

# To Go<sup>SM</sup>

## Take it to go with Delta Dental of Illinois.

The To Go<sup>SM</sup> feature - an option for Delta Dental PPO<sup>SM</sup> and Delta Dental Premier<sup>®</sup> programs - ensures that enrollees don't have to leave unused annual maximum behind.

Enrollees don't have to leave unused annual maximums behind anymore. With Delta Dental of Illinois' To Go feature, they can take the unused amount "to go" from one year to the next. This option offers enrollees more flexibility and can help them prepare for more extensive and costly dental treatment.

In traditional PPO plans, the annual maximum is a "use it or lose it" benefit. The To Go feature gives enrollees the ability to carryover any qualified, unused portion of their annual maximum in a given year and apply it to their To Go Bank, increasing their total dollars for dental treatment. (Contact your sales executive for complete underwriting guidelines; this feature may not be available for all Delta Dental PPO

### Example

and Delta Dental Premier plans.) Unused annual maximums eligible for carryover in a given year will be subject to a dollar threshold depending on the specific plan design. The enrollee also must have had a dental service that applies to the annual maximum (preventive/diagnostic, basic or major) during the year in order to carry over any unused annual maximum.

Year 1	Year 2	Year 3
		Annual Max: \$1,000
	Annual Max: \$1,000	To Go Bank balance for year 3: \$1,000
	To Go Bank balance for year 1: \$500	Eligible Benefits Received (Applied to Year 3 Annual Max) \$1,500
Annual Max: \$1,000	Eligible Benefits Received: (Applied to Year 2 Annual Max) \$400	Unused Annual Max: (Exhausted all \$1,000 of Annual Max) \$0
Eligible Benefits Received: \$500	Unused Annual Max: (\$1,000 - \$400) \$600	To Go Benefit Used: Claims exceeded annual max by \$500
Unused Annual Max: \$500	To Go Benefit/carryover: (The To Go Bank balance is \$500; total To Go Bank cannot exceed the total of the annual max (\$1,000) so only \$500 of the unused annual max for the current year can be applied to the To Go Bank) \$500*	so \$500 deducted from To Go Bank) To Go Benefit/carryover: (Used all \$1,000, therefore there is \$0 to carryover into the To Go Bank, but there is still a To Go Bank balance that will carryover to Year 4) \$0
To Go Benefit/carryover: \$500	To Go Bank balance: (Available for use in Year 3) \$1,000	To Go Bank balance: (Available for use in Year 4) \$500
To Go Bank balance: (Available for use in Year 2) \$500		

\$500 was applied to the annual maximum with \$500 unused. \$500 is carried over into the To Go Bank, increasing the total benefit in Year 2.

\*Total To Go Bank cannot exceed the total of the annual maximum. With \$500 already in the To Go Bank (amount carried over from Year 1). Only \$500 from the \$600 unused annual maximum for Year 2 (current year) can be carried over into the To Go Bank for a total of \$1,000 (equal to the annual maximum).

Because the paid claims exceeded the annual maximum by \$500, \$500 was deducted from the To Go Bank. The total annual maximum of \$1,000 was used so there was no carryover for Year 3. However, the To Go Bank still carries a balance of \$500 that can be applied in Year 4.

*\*Enrollees cannot take unused annual maximums with them upon termination of employment or the dental plan, nor can they apply the unused annual maximum to another dental plan.*
